Re: Fielding Court Resurfacing Project

Date: July 25th, 2016

Dear Resident:

We are sending this notice out to you to inform you of the **ROADWAY PAVING** work that is planned to start the week of August 1st, 2016.

The work will be from 7 am to 4 pm and is planned to take 2-3 days, weather permitting.

During this time, your driveway access **WILL** be limited.

If you need your car during these days, please relocate them to an adjacent street prior to 7 am.

You will **NOT** be able to gain access to your driveway until after 5 pm.

The asphalt needs time to cure and cannot be driven on for about an hour after rolled and compacted.

Thank you for your patience during this time.

If you have questions regarding road closures or specific construction issues, please contact:

Ed Gulyas

South Orange Village Deputy Department Head of Engineering 973-378-7715 x 2266
