## Bumble Bee

### Supplies

- Paper roll
- Black marker or black pen
- White Paper
- Yellow Paper
- Light Blue Paper
- Black Paper

\*if you do not have colored paper at home, use white paper and color using crayons, markers or paint)

- Scissors
- Glue stick

### Instructions

- Cut a strip of yellow paper the same width as the paper roll.
- Glue a line down the side of the paper roll
- Wrap the yellow paper around the roll to cover roll with a little overlap to seal it
- Cut thin strips of black paper to make bumble bee stripes
- Wrap the black stripes around the bottom half of the roll, leaving a space between each strip, glue to roll
- Cut water droplet shaped wings using the light blue paper, glue to the back of the paper roll
- Draw a pair of eyes on white paper using the black marker or pen, glue to the roll, opposite of the wings
- Cut two thin strips of black paper to make antennae, glue on the inside of the roll
